Mr. Willie Reddick,
919 Faulkland St.,
Norfolk, Va.

Dear Willie:

I want you to arrange a game for me with the Portsmouth Greys for Saturday, July 29th. I see that their Park is open on that date.

We are planning to play at Salisbury, Md. on July 28th, and come to Norfolk if you can get the game with the Greys for July 29th. We are playing The Phila Stars in Richmond, Va. on July 30th.

If you can arrange the game, then make reservations at the Hotel for the Team, which will be about 18 or 19 men for Friday and Saturday Nights, make reservations at the same Hotel we stayed before.

Everything is O. K. Get the best percentage that you can get from Plummer, but if won't pay more than 30%, I guess we will have to take that.

I would appreciate if you would take care of this right away before they book some one else on that date.

Hope you and your family are well. With best regards. I am

Yours very truly,
